

# WE MAKE YOUR TARGET OUR FOCUS

## CONTRACT RESEARCH ORGANIZATION WITH EXPERTISE IN CLINICAL DATA MANAGEMENT & STATISTICS

**CROS NT** is a CRO specialized in Statistics, Data Management, Clinical Report Writing, Pharmacovigilance and Hosting services. Established in 1992, we have completed over 700 studies in a wide range of therapeutic areas of clinical and observational studies. Our reputation has been built on experience, quality, responsiveness to our client needs and a passion to achieve the highest performance.

## QUALITY MANAGEMENT SYSTEM

Our working practices are governed by a full set of SOPs to ensure consistency and documentary evidence of quality at every point in a project. A series of milestones during the development of our activities control the processes in order to achieve quality in respect of deadlines.

Our Oracle Clinical database is fully Validated in accordance with 21 CFR part 11 rules.
